

KLS IMER H A P P E N I N G S April 2018

Mahesh Bhirangi

Managing Director
Pragati Engineering Belagavi Pvt. Ltd.

The 27th Foundation Day Ceremony of the Institute was celebrated on Saturday the 16th Sept. 2017 at KLS IMER. This event is one of the flagship events of our Institute, which is witnessed by eminent personalities across the industry, academia and students during which we identify a successful local entrepreneur and felicitate him/her in order to foster entrepreneurship in the region. This day marks the birth anniversary of late Shri. Raosaheb B. M. Gogte (born 1916), a noted Industrialist, Philanthropist and Patron of Karnatak Law Society.

Foundation Day

Shri. Mahesh Bhirangi, MD & CEO, Pragati Engineering Belagavi Pvt. Ltd., a successful local entrepreneur was felicitated on this special occasion. The video and print profile of Shri. Mahesh Bhirangi was prepared, and screened by our faculty.

Chief Guest Shri Suhas Gopinath shared his entrepreneurial journey. He started at an early age of 14, managed a cyber cafe and built websites for U.S. companies. He gave tips to management students of KLS IMER and urged them to Innovate, build ecosystem of entrepreneurs and create employment.

Startup makes learning more engaging

Times News Network

Belagavi: In a fiercely competitive age, there is immense pressure on students to excel academically. However, remaining glued to textbooks can become a monotonous experience. In a bid to make learning more engaging and enjoyable, **Shrikanth Learning** (a part of Belagavi) has developed a micro game learning platform that is available on Android and iOS.

Oust has developed a microlearning platform to help assess, train, and develop employee's skills.

In the past two years, Oust Labs, which initially got seed-funding from Infosys, has operations in other cities too. It has also set up in Bengaluru, Pune and the US offering its platform and applying educational institutions and companies. "We want to ensure that every student into a fun-learning environment for a world where you can learn anything. At Oust Labs, we want to use process through, effective and engaging adding that his company's app will be in multiple languages.
