27 responses

Suggestions for further improvement:

- Please introduce new style of teaching and make outside learning activities to learn responsibility and situation handling abilities. Only theoretical knowledge will not help to overcome by problems in life. All the best for your institution to the growth and development of upcoming days.
- Placement cell require a little bit improvement
- Appropriate steps required from college to be taken to maintain discipline among students.
- Term end can be completed little bit early so job joining will be easy.
- No placement opportunities for many students that need to be improved
- More events and fest would suffice
- Improve the aptitude skills of the students.
- Some extra practical experience should be given
- Faculty, placement
- Conduct more management related extra curriculum activities
- Improve in placements for better job
- Improvement in training and placement.
- Keep the same standard
- Good Institute
