Observations / suggestions to improve the overall teaching – learning experience in your institution

1. Encourage students to participate in management fests.
2. Number of live projects should be more for practical learning.
3. Nearby industry visits will help students to gain real time knowledge.
4. Placement cell should help students for developing employability skills from first semester. More GD-Group Discussion skills to be taught.
5. Good teaching in all subjects including other extra-curricular activities. Teachers are friendly and helpful.
6. Include more corporate lectures/talks for students. Include more research activities, practical classes.
7. The environment in the institute is very good, which makes all students a happy place to learn.
8. Digital marketing sessions can be considered for students.
9. More focus should be on practical learning rather than concentrating on completion of syllabus.
10. Provision for sports materials and facilities.
11. Enhancement in pre-placement and final-placement activities.
